

GALE PRESENTS: UDEMY

On-Demand Learning for In-Demand Skills

Access over 4,000 video courses taught by world-class instructors. Use this guide and your Google or Microsoft account to get started on your learning journey.

GET STARTED:

Use the **Sign In/Create Udemmy Account** button to log into *Gale Presents: Udemmy* every time you use it to keep track of your learning.

The screenshot shows the Gale Presents: Udemmy landing page. At the top, there's a banner with the Udemmy logo and a woman sitting on a ledge with a laptop. Below the banner, there are three columns of text: 'What does Udemmy Offer?' (4,000+ Online Video Courses), 'Up-to-date courses' (Eighty-five percent of the collection has been updated in the last two years), and 'How do I get started?' (You will need a Google or Microsoft account to sign in to Udemmy). A blue-bordered box is overlaid on the right side of the page, containing the same 'How do I get started?' section with a 'Sign In / Create a Udemmy Account' button.

How do I get started?

You will need a Google or Microsoft account to sign in to Udemmy.

If you don't already have one, Google and Microsoft accounts are free.

You must be 18 years or older.

FIND COURSES:

Browse *Gale Presents: Udemmy's* home page for suggested courses, or jump back into your current courses.

Search for courses of interest or click **Categories** to browse for courses by subject area.

To learn more about a course, simply click its title.

The screenshot shows the Udemmy course catalog page. At the top, there's a search bar and a 'Categories' dropdown. Below the search bar, there are several course cards. The first card is 'iPhone Photography | Take Professional Photos On Your iPhone' by Mark Morris. The second card is 'Total Yoga Challenge: 15 Minutes x 15 Days' by Axel Rittershaus. Below these, there's a 'What to learn next' section with five course cards: 'Better Business Writing Skills', 'Productivity and Time Management for the...', 'Practical Time Management - Personal...', 'Giving and Receiving Feedback for...', and 'OKR Goal Setting 101 - Achieve more goals than...'. At the bottom, there's a 'Because you viewed' section with five course cards: 'Introductory Photography', 'Neuroplasticity: How To', 'Photography Masterclass', 'Instagram Marketing', and 'Ultimate Photoshop'.

ENROLL:

View course overviews for a list of what you'll learn, requirements for needed materials, description, instructor biography, length of course, and reviews. Preview parts of the course to get a feel for it.

Click **Enroll now** to begin accessing course content.

The screenshot shows the Udemy course page for 'Ultimate Photoshop Training: From Beginner to Pro'. The course is by Cristian Doru Barin, has a 4.6 rating from 14,075 reviews, and 95,515 students enrolled. It was last updated on 3/2020. The course includes 14 hours of on-demand video, 2 articles, 184 downloadable resources, assignments, and a certificate of completion. The 'What you'll learn' section lists skills like designing icons, cleaning up photos, and using Photoshop's layers panel. The requirements section states that no previous knowledge is required. The description section is partially visible.

ACCESS COURSE CONTENT:

After enrolling, access your *Gale Presents: Udemy* courses on-demand, whenever and wherever you want to learn.

Navigate **Course content** to take the course in order, or access specific portions based on your preferences and needs.

View an **Overview** and **Announcements** from your instructor beneath course videos. Use **Bookmarks** to mark and return to specific spots within videos.

Complete all course content and you'll receive a certificate of completion.

The screenshot shows the Udemy course content page for 'Ultimate Photoshop Training: From Beginner to Pro'. The page displays a video player with a landscape image. Below the video player are tabs for Overview, Q&A, Bookmarks, and Announcements. The 'Course content' sidebar on the right lists 21 lessons, including '14. Use Photoshop's Interface Efficiently', '15. Customize Your Workspace', '16. Create a New Project', '17. Save your Photoshop work', '18. Optional - Save your work to the cloud', '19. Get around Photoshop Fast', '20. ACTIVITY: Crop and Straighten Photos', '21. Open images in 6 Ways', and '20. ACTIVITY: Crop and Straighten'. Each lesson has a duration and a 'Resources' link.

A FEW MORE THINGS TO KNOW:

- Courses range from beginner to advanced levels.
- You can enroll in multiple courses and there's no completion time limit.
- Most course videos include closed captioning.
- Many courses include assignments, quizzes, coding exercise, or other activities.
