The screenshot shows the 'Become a Registered Member' registration page on NewspaperArchive. The page has a navigation bar with links for 'Browse by Location', 'Browse by Date', 'Search', 'Publications', 'Support', 'User Login', and 'Hello, Admin'. A red button labeled 'Create a free account' is also present. The main heading is 'Become a Registered Member' with a sub-heading 'Fill this form and Get started in minutes'. The form includes fields for 'First Name*', 'Last Name*', 'Email Address*' (with the example 'hhaunert@worldarchives.com'), and 'Password*'. Below the fields is a checkbox for 'I have read and agree to the Terms and Conditions' with a link to the terms. A blue 'Become a Member' button is at the bottom. To the right of the form, there is text explaining the benefits of a free account, such as saving unlimited image clippings, creating saved searches, and creating a personal archive. It also mentions that if a library has Remote Access enabled, users can access their content from anywhere. A privacy notice at the bottom right states: 'We take your privacy seriously. NewspaperArchive will not sell or share your personal information. Read our Privacy Policy.'

Clipping newspaper articles is an easy way to keep track of interesting things you find in your research. Clippings allow users to save only part of a newspaper page for future reference.

Saved searches is where all recent searches can be found.

Sometimes an entire page is worthy of saving. It's easy for users to create a favorite page for later viewing by saving it to their "treasure box"
